 - If you cannot make it to a meeting:
 - Send an email to me at rha-records@wmich.edu ASAP!!!
 - Explain why you can't be there
 - If you are sending a proxy (temporary replacement) let me know who it is
 - Sending proxies is the easiest way to avoid an unexcused absence
 - They should be from your hall/apartment so that they can truly represent your council
 - Fill them in on what happened last week, and what to expect this week
 - If you cannot find a proxy, the only way to have an excused absence is if your reason for missing is an emergency, University function, etc. see the RHA constitution for more details
 - If you don't come because "you don't feel like it", you "have something better to do", etc., don't expect an excused absence
 - I will notify you after your 2nd unexcused absence in a semester, and on the third you will lose your voting rights, regardless of your position
